2. TELL OTHERS

TALK to your neighbours, friends and family about this ASAP. Encourage them to read the information, visit a display AND to write a submission **by 20 May** – you don't have to live in the area to write a comment.

3. WILDLIFE SIGHTINGS (PAST & PRESENT)

INCLUDE your wildlife sightings from your property and around your local area **in your submission**. **EMAIL your wildlife sightings to LACA on mkpage@bigpond.com** Start recording any wildlife sightings now for the next 3 weeks. Include historic sightings as well. Start with rarest animals first (eg koalas, glossy black cockatoos, spotted quolls, yellow bellied and greater gliders, powerful owls, phascogales, swamp wallaby, rock wallaby)

DATE SEEN	LOCATION eg Street number & Address , or GPS location	TYPE OF WILDLIFE & HOW MANY	LIVE OR DEAD	DETAILS OBSERVED

4. STARTING YOUR SUBMISSION

- Start with your most important concerns first .
- Number each new concern - this makes each new point easy to see
- Use bullet points - this helps the reader of your submission , they can focus on your key concerns
- Use specific examples where possible to support your concerns or comments

5. DON'T KNOW WHERE TO START?

- Visit the LACA website www.laca.org.au
- Visit the Save Greenbank website savegreenbank.com.au

6. Contact LACA if you have any concerns that they should add to their submission - Anne Page on ph 3297 0624 or Email mkpage@bigpond.com
